**Think you need a change in your life?  
Get professionally certified in Hypnotherapy.  
Satisfy your potential.**

You may be wanting a flexible occupation that can easily move around the globe. Or have found yourself in a job that doesn't suit you and are looking for a way out. Or you'd like more tools to support family & friends. Or you may just feel that your 'good' life could be so much better...

You may be wanting a flexible occupation that can easily move around the globe. Or have found yourself in a job that doesn't suit you and are looking for a way out. Or you'd like more tools to support family & friends. Or you may just feel that your 'good' life could be so much better...

**Hypnotherapy** is a growing field supporting individuals and groups to make positive changes of their thoughts, feelings & behaviours using the power of their own minds. Hypnotherapy works. We know. This is where we do. Over 100 years research, up to Level 4 (Postgraduate) and Certified (Senior) (Double Accredited) Therapists, use their qualifications to demonstrate all that can be done with the technique. You learn the skills and learn to help you towards a successful Hypnotherapy through our Professional Certification Program. Learning on theory and practice (you need to have the necessary industry, suitable and ready to do the work). The course has been crafted to give you what you need to learn to support yourself, those you love and start helping others in taking back control of their health, well-being and lives. **Learn something new and exciting, receive the necessary professional recognition and accreditation from the International Board of Standards and Practices for Hypnotherapy (IBSHP).** **With our 100 hour training, you'll understand how hypnosis and the mind works, get the background and theory presented in their accessible in the field, learn with the best theory and practical tips that you can use your own unique and experiential skills and techniques while you learn to understand the technique. We also support you in building your business, or use your own business/employment, in a range of environments.** **Successful completion of the course will allow you to use your training with the International Board of Standards and Practices for Hypnotherapy (IBSHP) in the United Kingdom, or in the USA, or in other countries worldwide, with the support of your business, family and after the course to make your dream.** **Before September 19th, we're offering a discounted and special price: 10 months November 19th to 30th a total of 12 weeks (12 x 10 hours) including tuition of your course in hypnosis, with separate manual for your course. Discounted and special! Why? Because we love training people in Hypnosis and we want you to be a part of it!** **The Hypnotherapy Professionals is an internationally growing use with its ability to help people make constructive change and offer them a wide range of tools, including ongoing coaching, insight into, when needed, beyond our group relationships, helping with their, sleep, and other emotional**

The Bangkok Professional Hypnotherapy Certification Course has been crafted to give you what you need to learn to support yourself, those you love and start helping others in taking back control of their health, well-being and lives.
