*Whether it's seeing the sights, making friends, contributing your time to worthy causes, or just having fun—there's a place for any woman living in Thailand at AWC. We're here to provide social, cultural, and philanthropic opportunities to help foster a positive experience for all.*

## *Membership*

Membership in AWC is open to any woman living in Thailand, and we welcome all nationalities. American

women join as Regular Members, while non-Americans become Associate Members. The annual membership dues (3,000 baht)

give members access to all AWC planned programs, networking opportunities, the monthly *AWC News* and more. Contact <[members@awcthailand.org](mailto:members@awcthailand.org)>

## *Gatherings, Coffees & Connections*

Monthly Membership Gatherings provide an opportunity for new and present members to get acquainted and share experiences. Every Monday morning there is Casual Connections at the Sheraton Grande Sukhumvit (The Library, 2nd Floor, from 10–11:30am). Also, on the 2nd Thursday each month, Casual Connections takes place in Nichada Thani. These meetings are open to members and nonmembers alike. Contact <[members@awcthailand.org](mailto:members@awcthailand.org)>

## *Thrift Shop*

AWC maintains a resale store to raise funds for Clubhouse operations and to support AWC's philanthropic programs. All members are invited to bring in second-hand items as donation or consignment goods. Non-members may donate their items. We accept clothing, shoes, kitchenware, small appliances, linens, decorative items, books and toys. You may also volunteer at the Shop where the hours are flexible. The Thrift Shop receives goods on Mondays, and sells on Wednesdays from 9:30 a.m. to Noon. <[thrift@awcthailand.org](mailto:thrift@awcthailand.org)>

*We look forward to welcoming you to the American Women's Club or partnering with us in our endeavors. Please stop by or call the Clubhouse to learn more about the AWC.*

## *Community Projects*

The AWC has been supporting Thai charities since its beginning in 1955. As part of the philanthropic arm of AWC, the Community Projects Committee reviews and acts upon requests from organizations and individuals all over the country. AWC's primary targets are women and children. Areas that have benefited from AWC contributions include

- community self-help projects
- hospitals, clinics, schools and orphanages
- nutritional programs
- books, supplies, scholarships, playground equipment, or teacher's salaries

The Community Projects Committee welcomes volunteers and contributors. Your support can help change the lives of the underprivileged in Thailand. For more information, please contact <[welfare@awcthailand.org](mailto:welfare@awcthailand.org)>

## *Scholarship Program*

The AWC Scholarship Committee administers this worthwhile program that provides more than 400

scholarships to underprivileged young women so they may complete their final three years of high school. Every scholarship is made possible by the generosity of individual and corporate sponsors. If you want to help make a significant difference in a young woman's life, consider joining the AWC Scholarship Committee or becoming a sponsor! <[scholars@awcthailand.org](mailto:scholars@awcthailand.org)>

## *Activities & Fun*

The AWC offers ongoing special interest activities such as mahjong, tennis, and yoga in addition to cultural excursions in and around Bangkok. Organized activities acquaint members and guests alike with the hidden and fascinating experiences to be found within this great city. If you have ideas or suggestions, would like to lead, teach or arrange an activity, please contact the Activities Committee <[active@awcthailand.org](mailto:active@awcthailand.org)>.
